Now Showing: Gaulhofer Windows & Doors

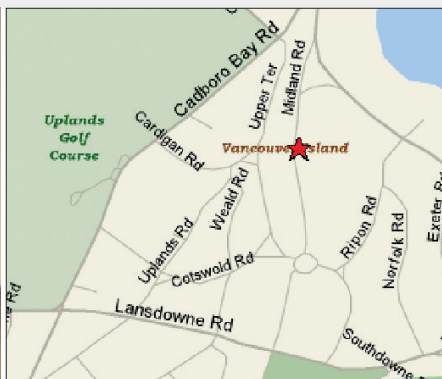

The best of Europe is now the best of North America.

Uncompromising design, technology, craftsmanship and the best materials go into everything Gaulhofer builds. Manufactured in Frohnleiten, Austria, Gaulhofer windows, doors, shutters and screens have graced many of Europe's finest homes for over eighty years.

From patented tilt, turn and lock hardware, to hundreds of distinctive designs and even more colours

and finishes — you'll find the perfect custom window and door design solution to complete your dream home. For a fresh outlook, come see for yourself. Visit our Display Gallery or request a personal presentation.

For a limited time, you can see Gaulhofer windows and doors in a recently completed Victoria residence. For more information on the upcoming Victoria Open House, **contact us at 250.701.9038**
